

Homemade Playdough

(you'll need the help or permission of an adult for this)

2 cups all purpose flour

2/3 cup salt

4 tsp. cream of tartar

2 tbsp vegetable oil 2 cups water

Food colouring (optional)

1. Add food colouring to water.
2. Place all ingredients into a heavy pot.
3. Using medium heat, stir until the playdough forms a ball like pastry. If it sticks to your fingers it is not ready.
4. Store in a covered container for freshness.
